

Sister Aloysius Says "Pray, Pray, Pray"

Activity Sheet 12

Sister Aloysius and her students talk about ways that they can pray for others and themselves. They talk about praying prayers of the Church and of others, making up their own prayers, and offering up their thoughts, words, actions, joys, and sufferings as prayers.

Think of those who need your prayers and your own needs and offer a prayer for any intentions you choose. As you offer each prayer, color in one of the spaces below. See how many intentions you can pray for today!
